

### **Public Relations and Marketing Internship**

Chris Bubany & Friends Gallery is a space filled with a beautiful and eclectic mix of ceramics, metal work, mosaic art, photography, painting, fiber art, jewelry, and more! The gallery is a new undertaking by 12 talented local Tucson Artists, all coming together under the same creative roof. We offer a variety of workshops that teach the joy of creativity through photography, painting, and mosaic work. We are looking for College of Social & Behavioral Sciences interns to help us with our online presence! We offer very flexible hours and a lot of the work can be done remotely. Though traveling to the gallery on Tanque Verde Road is not always necessary, interns are encouraged to stop by and work with us on site. Read more about Chris Bubany & Friends Gallery here:
