Part-Time Multimedia Spring Internship (school credit available, position: unpaid)

Do you want to be part of a dynamic team of creative storytellers? Do you dream of shooting and editing multimedia packages and can’t wait to share them with world? Do you want to learn more about marketing and communication in the digital world? Finally, do love posting on social media?

If you answered yes to these questions, you are a right fit to the Marketing and Communications team in the College of Social and Behavioral Science at the University of Arizona.

Here is what you will be expected to do:

- Write scripts
- Shoot and edit multimedia packages
- Assist as grip on video and photo shoots
- Help distribute produced content on social media and web
- Provide photography services
- Create basic motion graphics elements
- Other duties to be assigned

We ask you to be familiar with video and photo equipment such as professional camcorders and DRSLs, Adobe Premiere Pro, Photoshop, Lightroom, After Effects and other software in Adobe Creative Cloud. We require strong writing skills. We are looking for a positive, ambitious and proactive team player to join SBS MarComm team.
SBS MarComm is a dynamic marketing and communications unit in the College of Social and Behavioral Sciences that partners with SBS departments and units to best connect them with internal and external audiences, including prospective students, current and future donors, community members, among many others. The team creates marketing strategies, develop print and digital materials such as flyers, posters, videos, photos, animations and designs websites.
