

# Campus Change Request Form to Main Campus

**By submitting this form, you indicate that you understand the following implications of this change:**

- The overall time commitment and rigor of courses will be equivalent between Arizona Online and UArizona Main Campus. Course availability for Main Campus courses may require in-person attendance for required courses. Fully Online sections of required courses are not guaranteed for Main Campus students and seat availability for fully online sections is limited.
- Arizona Online carries a per unit cost structure, vs. the traditional semester-based cost of attending at the Main Campus. Out-of-state tuition for Main Campus students can be significantly higher than the per unit cost for Arizona Online. You are encouraged to review current cost of both to determine the best fit. This link will take you to the tuition calculator for you to compare the cost: <https://uaonline.arizona.edu/cost-and-aid/tuition>.
- In switching to the Tucson Main Campus, students may be subject to additional per semester Program Fees for their major. Students should ensure that they are aware of any additional tuition fees by contacting the Bursar's Office, and researching the Department or School program fees required of Main Campus students in their selected major.
- The University of Arizona does provide some forms of institutional aid for Main Campus students that are not available to Arizona Online students. Check with the Main Campus Financial Aid Office to see if you are eligible for additional Financial Aid if you switch to Main Campus.
- Available programs of study differ between the Arizona Online and UArizona Main Campus. Most Arizona Online majors are available on Main Campus, but some Arizona Online minors are not available to Main Campus students. If your Online major, major concentration or minor is not offered through Main Campus, you will need to change your major or minor. ***Changes to your Major, Minor or Major Concentration could result in additional courses required for graduation.***
- Your major advisor will change once your switch to Main Campus. This contact information will appear under the Advising menu item in your UAccess Student Center.
- The Honors College is available to main Campus students, and you can self-nominate any time before your last year at UArizona. More info is here: <https://honors.arizona.edu/admissions/application-process/current-wildcats>.
- Students can enroll in **only** one campus at a time during a given semester. The assigned campus cannot be changed *within* a given semester once a student has paid tuition. Campus change requests must be submitted no later than 10 working days before the start of the semester or session.
- ROTC is available through Main Campus. Military benefits are also available, you can check with the [Veteran's Center](#) to see if there are any updates to your benefits.
