**2022 UNDERGRADUATE
CONVOCATION CEREMONY**

THE UNIVERSITY
OF ARIZONA

College of Social and Behavioral Sciences

Undergraduate Convocation Ceremony

McKale Center | May 14, 2022 | 2 PM

Livestream: sbs.arizona.edu/live

In the College of Social and Behavioral Sciences, “The People College,” we study people and their interactions with each other and the world. Our faculty and students are working to understand and find answers to the major issues of our times, including political conflict, privacy, and climate change.

Students in the College of Social and Behavioral Sciences receive a broad-based liberal arts education and engage in hands-on learning. They cultivate skills in critical thinking, problem solving, communication, and technology – skills that help them stay future-proof and shape the world. More than ever, society needs interdisciplinary and global thinkers who can address the world’s challenges. As SBS students make their way beyond university life, they take with them a base of knowledge that we trust will lead to fulfillment, prosperity, and service.
